Whereas the Member Unions have in their membership throughout the area members competent and qualified to perform the work of the Company.

Whereas, in order to insure relative equity and uniform interpretation and application, the Unions, through the duly appointed and constituted Council for Maintenance in Canada, wish to negotiate and administer the said Collective Agreement in concert, each with the other, and all with the Company.

Whereas the Company and the Council desire to mutually establish hours of work and working conditions for the employees on an area basis to the end that satisfactory conditions and harmonious relations will continue to exist for the benefit of both parties to this Agreement.

Whereas the Company and the Council agree that due to the particular nature of the work covered by this Agreement, there shall be no lockouts or strikes during the life of the Agreement, and provisions must be made to achieve this end.

Whereas, it is recognized that all employees covered by this Agreement, shall have the protection of all existing Federal, Provincial and Local laws applicable to employees in general, any provisions in this Agreement which are in contravention of any Federal, Provincial or Municipal regulations or laws affecting all or part of the limits covered by this Agreement shall be suspended in operation within the limits to which such law or regulation is in effect. Such suspension shall not affect the operation of any such provisions covered by this Agreement, to which the law or regulation is now applicable. Nor shall it affect the operation of the remainder of the provisions of the Agreement within the limits to which law or regulation is not applicable.

ARTICLE 16.000 WORK HOURS PER DAY, SHIFTS, OVERTIME AND OVERTIME MEAL BREAKS

- 16.100 Eight (8) hours per day shall constitute a Standard Work Day between the hours of 7:00 a.m. and 5:30 p.m. Forty (40) hours per week shall constitute a week's work.

As an option ten (10) hours per day, Monday to Thursday or Tuesday to Friday may be worked at straight time. The ten (10) hour system must operate for a minimum period of four (4) consecutive days before it is established as the regular hours of work. Once established it becomes the regular hours of work for those so assigned.

When ten (10) hour shifts are worked, in lieu of the work breaks and lunch breaks provided herein, the Employer shall have the option of scheduling two breaks of one half ($\frac{1}{2}$) hour each, paid at the applicable rate, approximately equally spaced in the ten (10) hour shift. In the event an employee is not able to take a break, the employee shall be paid at applicable overtime rates for the missed break. When the hour before and the hour following the missed break are at straight time, time and one half ($1\frac{1}{2}x$) shall be paid for the missed break. This option shall not be applicable to compressed work weeks for which work days are regularly scheduled in excess of ten (10) hours. A change in the scheduling of breaks will normally be communicated to the affected employees prior to the end of the work cycle before the change.

- 16.200 Employees working a day shift defined as a shift starting from 7:00 a.m. up to and including 9:00 a.m. shall work eight (8) hours for eight (8) hours pay.

Shift premium will not be paid on shifts worked on Saturdays, Sundays, recognized holidays, as listed in Article 12.000 of the Agreement, and the earned day off when working the four (4) ten (10) hour shift option.

Employees working a midnight shift defined as a shift starting between 9:00 p.m. and 2:00 a.m. shall receive a shift premium of twenty percent (20%) of the hourly base rate for a maximum of eight (8) hours or ten (10) hours when working the four (4) ten (10) hours shift option. Shift premium will not be paid on shifts worked

on Saturdays, Sundays, recognized holidays, as listed in Article 12.000 of the Agreement, and the earned day off when working the four (4) ten (10) hour shift option.

Employees working on a second shift of which the major portion of the total hours scheduled falls after midnight will be paid the midnight shift premium.

16.300 All time worked before and after the established work day of eight (8) or ten (10) hours, Monday through Friday shall be paid for at the rate of time and one-half (1 1/2) for the first two (2) hours. Double time is to be paid for hours worked thereafter.

For the purpose of this Article, the standard work day of eight (8) hours for the job or portion thereof to which any such change of starting time applies shall begin with such agreed starting time.

16.600 Overtime Meal Breaks: When an employee works overtime at the conclusion of and continuous with the regular work day defined in Article 16.100 and 16.200, he shall be entitled to a meal and a meal break when overtime work exceeds two (2) hours.

The meal break after the regular day will normally be after two (2) hours overtime and subsequent meal breaks approximately each four (4) hours thereafter. However, it will be the prerogative of the Company, in conjunction with the job stewards to arrange meal breaks for efficiency and convenience of the job.

When an employee works Scheduled Overtime (work performed on Saturdays, Sundays and Holidays) he shall be entitled to a meal break when overtime work exceeds ten (10) hours.

When an employee works Call-Out Overtime (overtime work performed other than continuous with the regular work day or Scheduled overtime) he/she shall be entitled to a meal break when overtime work exceeds four (4) hours.

Entitlement to subsequent meal breaks will occur at approximately four (4) hour intervals during continuing overtime. No entitlement shall occur at the conclusion of overtime.

All overtime meal breaks will be twenty (20) minutes in duration and will be paid for at the applicable overtime rate. However, in calculating entitlement to a meal, the twenty (20) minute break shall not count as overtime work.

16.600 The Company's obligation in respect to a meal entitlement shall be discharged by providing the employee with a meal up to a value of \$20.00. If it is impractical for the employer to supply a meal, their entitlement will be discharged by providing a payment in lieu at a rate of \$20.00.

If transportation is required, the Company shall transport the Employees to the point where such Employees were picked-up not later than ten (10) minutes after the shift. When Employees are transported to the pick-up point after the ten (10) minutes noted above then overtime will apply.

ARTICLE 18.000 SAFETY

18.100 The Employees and Employers covered by the terms of this Agreement shall be bound by the Occupational Health & Safety Rules and Regulations as established by the Owner, Company, and Council Member Area Agreement, and applicable Health & Safety Legislation

18.200 The Company accepts the responsibility to provide coveralls and all necessary protective clothing required for working conditions which are exceptional or would lead to speedier deterioration of personal clothing, than under normal or usually accepted working conditions.

ARTICLE 19.000 APPRENTICES

19.100 The Council and Member Unions agree that the needs of plant maintenance may warrant differing apprentice ratios than those established. The Company and the Council Affiliates, therefore, agree to negotiate such ratios from time to time as the conditions warrant.

This paragraph shall be enforced only to the extent permitted by applicable law.
- 22.200 It is agreed the work force in effect on any site will not be employed on work that is affected as a result of a construction strike or lockout.

These provisions do not prohibit the Union's right to the peaceful exercise of grievance procedure if in it's judgement the spirit and intent of this Agreement has been violated.

ARTICLE 24.000 DURATION AND TERMINATION OF AGREEMENT

- 24.100 This Agreement shall become effective January 1, 2018 and will remain in full force and effect until December 31, 2020 and from year to year thereafter unless written notice to terminate or modify the Agreement is filed by either party at least sixty (60) days prior to the expiry date.
