Re: **Extension of the National Maintenance Agreement Covering the Province of Manitoba**

Dear Member:

After appropriate consultation and discussion Members of the National Maintenance Council for Canada has determined that it is inappropriate to open the Manitoba National Maintenance Agreement and conduct a full renewal process. Accordingly, the Council will extend the existing agreement for a further period until May 31, 2020 “as is” with no changes to the agreement.

However, the following is understood and forms part of the term extension:

Accommodation allowance described in Articles 14.100 (b), 14.400 (b) and item number 2 of Appendix ‘D’ will be increased to \$144.50.

Mileage amounts listed in Articles 14.100, 14.200, 14.300, 14.400, 14.500 and 14.600 will be .54¢ per road kilometre and will remain as is until further notification.

Please advise your Local Union Representative of this result.
