Re: **Extension of the Newfoundland Intermittent National Maintenance Agreement**

Dear Member:

Due to the current environment and travel restrictions placed upon Council Members, we are unable to meet with the appropriate Newfoundland Contractor Representatives to execute the renewal of the Newfoundland Intermittent National Maintenance Agreement.

The Agreement will be extended “as is” until June 30, 2022.

Please note that any monetary increases to the existing wage schedules established through the local reference agreement will be picked up during this extension period.

Please advise your Local Union Representative of this result.

Regards,

Brett McKenzie
Executive Director
