Re: **Extension of the Saskatchewan National Maintenance Agreement Memorandum of Understanding**

Dear Member:

Due to the current environment and travel restrictions placed upon Council Members, we are unable to meet with the appropriate Employer Representatives to execute the renewal of the Saskatchewan National Maintenance Agreement (including the Memorandum of Understanding).

The Memorandum of Understanding will be extended "as is" until July 31, 2022, with the following agreed to items:

1. The Parties agree to establish a Work Ready Workforce Sub-Committee.
2. The Parties agree to establish an agreed to process where an enablement or easements are required to secure maintenance work.

Please note that any monetary increases to the existing wage schedules established through the local reference agreement will be picked up during this extension period.

Please advise your Local Union Representative of this result.

Regards,

Brett McKenzie  
Executive Director
